Keeping the above quote as our inspiration, we at Nutan College of Engineering and Research organize **First alumni Meet**. Our alumni are biggest strength and we maintain a strong bond with them. The alumni meet was organised on 25th March 2023 at Nutan college of Engineering and Research Seminar Hall & ground. Approximately 100 students had registered for the participation Out of those 243 for the meet. The meet was organised by the principal Dr. Aparna Pande and Prof. Milind G. Ovhal (Student Welfare Dean) and it was Co-ordinated by Team Members. The program was anchored by Mrs Vaibhavi Avchat and the students were addressed by the Chief Guest ,Principal NCER , Heads of the department, a few staff members. Later on some fun games were organized for the students. Few alumni Expressed their views about NCER, few of them shared their nostalgic moments spent at NCER . The event was followed by dinner and was concluded with the mixed feelings of happiness excitement of meeting so many students after many years.
